Dear Ms. Carpenter,

This is to acknowledge receipt of your request for a Public Night Hearing to be held in Irmo in the Richland County area and your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2019-290-WS - Application of Blue Granite Water Company for Approval to Adjust Rate Schedules and Increase Rates

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can follow the individual Docket at the link listed below:

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I have been a customer since July 2011 when I bought my house in New Friarsgate.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am upset with the fact Blue Granite is trying to raise my Sewage rate to 100.00 a month. The fact that you PSC let them do as they want every time, they want to raise the rates. Its out of control and I believe there is some corruption in the office of PSC and Blue Granite. You rubber stamp everything yes, without looking out for the people it effects. I am retired Military and am on a budget and can't afford this right now. If you let this go unfettered, we will be paying 200 for Sewage by next year at this time. The fact they have been fined 3 times and sued is not our problem and should not be affecting us. We have no choice but to use them as they have the monopoly on sewage. Please do not pass this my bank account cannot afford this.
